Food & Beverages

Welcome at the Schwabenalm Winnenden!

The Schwabenalm stands for a rustic and cozy atmosphere on 3 floors. Mainly originally old wood from the Allgäu region in Bavaria was used to build this beautiful place. The furniture was designed exclusively for the Schwabenalm and all rooms are equipped with modern technology. The Schwabenalm offers everything you need for a comfortable stay and also for small or big parties. From a birthday lunch or

diner in a small group to a large wedding – the Schwabenalm is the perfect location for an unforgettable event. The Schwabenalm is open the whole year round and we are looking forward to welcoming you as our guests. The Schwabenalm team wishes you an interesting lecture and a pleasant stay. We would be pleased to receive your suggestions and feedback via email at info@schwabenalm.de.

Food from the region – prepared with passion

The Schwabenalm offers a plain and regional cuisine with modern influences - always using only highquality ingredients.

Our head chef Steffen Graner and his team attach great importance to seasonal products from local manufacturers. Each day they process quality meat,

create tasty sauces and prepare Spaetzle (Handmade Swabian pasta), bread dumplings and fresh salads. Thanks to the cooperation with our local producers, which is exceptionally great, we are able to receive and to prepare fresh products every day. Enjoy your meal and your stay at the Schwabenalm!
